FC32 _____

Would you like your name Visible in the directory?

YES - If your name is visible in the directory, all incoming visitors will be able to see your name as they search through the gate directory screen.

NO - If your name is hidden in the directory, no incoming visitors will be able to see your name as they search the gate directory screen. This means that your guests will have to know your unit number or your entry code to enter the community.

If you answered YES, how would you like your name to appear in the directory? _____
