

Pecos Park 1 New Paint Colors

As of April 2022, the Board of Directors has approved some new paint schemes for the community. The schemes consist of 3 colors each. You can flip the trim and accent colors in a particular chosen scheme, but body colors may only be used on the body. Trim would consist of the fascia and garage door. The accent is pop-outs and front doors. Most of these colors are Sherwin Williams but there are a couple of exceptions. If you have any questions, please reach out to Vision Community Management at PecosPark@WeAreVision.com.
